KINDERGARTEN REGISTRATION

Kindergarten registration for the 2020-2021 school year will be held at Saratoga School on Wednesday, April 29, 2020. Children currently in Preschool at Saratoga that will attend Kindergarten next year do not need to attend this registration. You will complete the online registration at a later time.

This registration is for incoming Kindergarten students that do not currently attend Saratoga. Please bring your student to registration, if possible, to participate in a short screening. Children living in the Saratoga Community Consolidated School District can register between the hours of 1:00 and 6:00 p.m. in the North Building. Please enter Door #18. If you have a username and password that you have already created from a previous registration for another child, please bring this along.

To register, children must be **5 years old** on or before **September 1, 2020**. Parents must present a birth certificate at registration time to verify their child's age. The birth certificate must be from the county in which the child was born. Hospital certificates are not honored. Also, new families to Saratoga School must bring proof of residency in order to register their child. Examples of accepted documentation are a mortgage statement if you own your home or lease if you rent your home. **You must bring your child's birth certificate and proof of residency before you will be able to register your child.** If you have questions about proof of residency, please call the office at 942-5970. After you provide the required documentation, you will sit at a computer and complete the online registration.

All children entering Kindergarten must have a physical exam with required immunizations, dental exam and eye exam. Please schedule your appointments early.
